Student Name _____

Grade _____

The Board of Trustees of the Bonita Unified School District provides the students of Bonita High School with a parking area. By school policy, use of the parking lot is considered a privilege and not a right. A privilege of this kind assumes obligations and responsibilities on the part of the student driver. Therefore, Bonita High administration reserves the right to suspend or revoke the on-campus parking privilege of any student who abuses the contract policies noted below. These regulations are designed to safeguard the student driver and property, as well as protect the rights of other drivers, pedestrians, and homeowners in the immediate vicinity of the school. The following regulations will be enforced; pursuant to the provisions of Vehicle Code 21113 of the State of California and violations of this code or other laws governing parking will be cited.

The cost of a parking permit is \$50.00 and may be purchased during registration using cash or check made payable to "Bonita High School". After registration, permits may be purchased from the finance office during intervention, lunch or after school until parking spaces are filled.

1. Students must have a valid CA Drivers License in order to obtain a permit. Drivers permits are **NOT** accepted.
2. This contract outlining the responsibilities, rules and regulations concerning the parking lot must be printed, signed and returned to Ms. Hurley in the Assistant Principal's office during registration or school hours. At this time a photocopy of your driver's license will be taken.

This hanger must be displayed while parked on campus during school hours. Hanger permits are **NOT** transferable between students.
4. Parking permits will be issued beginning August 24, 2026. Warnings will begin on September 1, 2026. Detentions will be issued beginning September 8, 2026 for those who park in the student lot without a permit. Students who continue to park in the student lot without a permit will receive progressive discipline.
5. The lot will be checked daily for cars not having current hanging permits. They may be reported to the Assistant Principal's office for further action. The La Verne Police Department may issue citations to owners of those vehicles parked in violation of the California Vehicle Code Section 21113 or other laws governing parking. In addition, Campus Supervisors may issue school related discipline.
6. Reckless driving and excessive speed in the parking lot or in the vicinity of the school will not be tolerated and will result in immediate loss of parking privileges. The speed limit in the parking lot is 5 MPH.
