

## Who is the NATA?

**Directions:** Log onto [www.nata.org](http://www.nata.org) and answer each of the following questions on a separate piece of paper.

**Purpose:** This assignment will allow you to explore the association known by Athletic Trainers. This website will be useful to you in this class and in the future as you pursue a career in sports medicine.

1. What information do you see when you first enter the homepage?
2. List 3 quicklinks that you can explore on the homepage?
3. Click on the menu and explore ABOUT the NATA. What district is CA in?
4. What other states are in the same district?
5. What is the NATA vision?
6. What is the NATA mission?
7. Explore the NATA education overview, what is the minimum education for an ATC and how is it changing?
8. Explore the website and explain another interesting bit of information that you gathered.
