

# SAVE A LIFE and EARN SOME POINTS!!!

## CHOOSE

### Whole blood donation: 1 unit      200pts

You can choose to donate 1 unit yourself OR have a unit donated on your behalf from ANYONE who is eligible. You do NOT have to be present while the unit is donated but you should be. You can go to any blood donation facility like

City of Hope <http://www.cityofhope.org>  
American Red Cross, <http://www.redcross.org/>  
Lifestream <http://www.lstream.org/>

- Make an appointment
- Drink plenty of water, eat, bring photo ID
- Bring me the ORIGINAL PAPERWORK that has a barcode sticker on it and DATE.
- Safe to donate every 56 days

**You will receive 200 (that's TWO HUNDRED!!!) points extra credit! Limited to 1 time per quarter.**

Not good enough??? Want another 50 points? (Total of 250 points extra credit): Take AND PRINT a picture of the unit being donated with HAPPY SMILES to put on our donation wall!

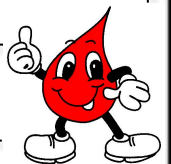

## OR

### Platelet Donation: 1 Unit      300pts

Same process as above. The BEST location we work with is City of Hope Hospital in Duarte but anywhere is fine. Bring the same paperwork that has the barcode sticker and DATE but this time the paperwork MUST SAY "**PLATELET DONATION**".

Platelet donations are needed significantly more than whole blood and take about twice as long to donate. Because of this, the point value is higher: **300 points (THREE HUNDRED POINTS) per donation** (not per unit). Limited to 1 donation per quarter. Frequently, you may be able to donate more than one unit of platelets at a time, please do. No additional points will be given though. Just as above, an ADDITIONAL 50 points will be given for a happy printed photo of the donation process.
