

**Welcome to the CTS club!!!
(CLEAR THE SHELTERS
CLUB)**

Please take a seat and we will start
shortly ☺

Welcome!!!

- Welcome!! My name is Chris Garibaldi and I am the President of the CTS club 😊

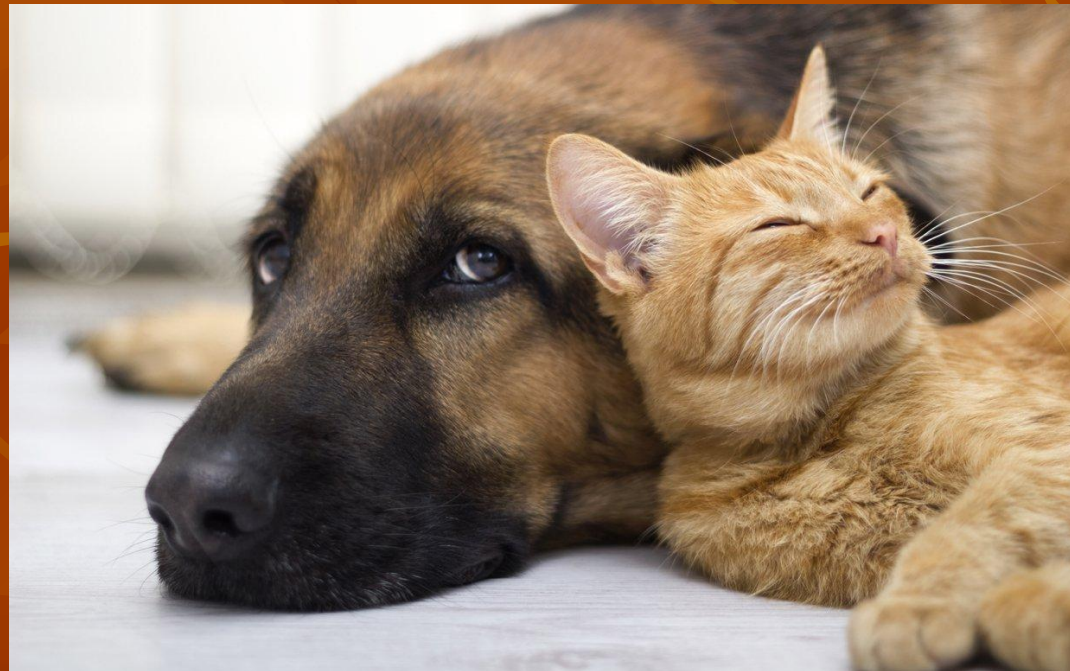

The goofs we share the world with xD

Our furry four legged friends are a little goofy
but they are wonderful additions to any family
but not every one of our friends have a home

Our goal

- We here at CTS is to help animal shelters within our area raise money for repairs and maintenance within the shelters, as well as helping to get homeless pets adopted or just volunteering to help take care of our furry friends.

Shelters we work With

- We are working with Priceless pets and soon The Upland Humane Society as well as The Inland Valley Humane Society and hopefully many more to come

What to expect

- Volunteering- will start as soon as possible but the entire club will not go all at once, instead we will go in small groups every other week after we complete the prerequisite needed to volunteer at each shelter. We shall begin with Priceless pets
- Club meetings- will try to meet weekly every Thursday at 2nd lunch but life happens so schedules will be announced every week and hopefully will occur
- Activities- as this is the first year CTS is at Bonita we will be experimenting on what we could do while the club is in session but these activities will be focused around volunteer skills and such

FAQ

- This club is not just for us founding members, we need and want your input on how to improve the club experience and ideas and information about helping out shelters or events in need
- You can contact me here : ummmyesumm@gmail.com or speak to me before or after the meeting

- Have a good day everyone!!!!!!
