We are looking for volunteers to help with the Claremont Village Venture annual mobile event THIS weekend, Saturday, Oct 22nd. We have LOTS of new dogs this week that we are hoping to take to this event, but we need your help!

Each volunteer will receive a free pass into the event that can be used before or after your shift (the orphans will need your full attention during your shift). Parking is FREE. We will need trained adoption counselors to assist with adoptions, and volunteers to help set up and break down crates, market the dogs, and provide them with water and walking breaks, along with soliciting donations and volunteers. Mobile is set up outside under EZup's.

Please sign up through the Portal, under the OTHER tab, for the shift that works best for you. We need you, the orphans need YOU!! Please join us this weekend for this fun-filled event and help some orphans find their new forever home.
