

## MATH AUTOBIOGRAPHY

This assignment is to help me get acquainted with you and your mathematics experiences, both good and bad. Please include the following:

1. Your earliest memories of learning math.
2. How you feel about math.
3. Memories from school, both successes and failures.
4. What you hope to learn from this class.

You may include any other details or thoughts that you feel apply to the questions above.

**PLEASE** do not just list what you have learned in the past.

### Guidelines for the assignment
