

October 16th
-OR-
November 20th

AUTOMOTIVE AND MED/HEAVY DIESEL TRUCK TECHNOLOGY

OPEN HOUSE

ADVANTAGES OF ATTENDING OPEN HOUSE

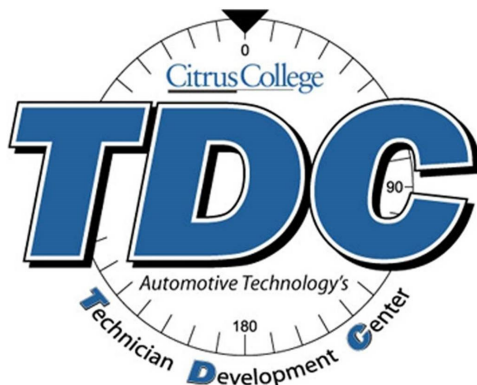

- ⇒ Meet faculty, current and past students,
- ⇒ Program Q&A (fees, tools, financial aid, etc.),
- ⇒ Get Enrollment Information,
- ⇒ Learn about Automotive Technology, Maintenance & Light Repair, Toyota Technical Training, Med/Heavy Truck Technology, and High Performance Institute
- ⇒ Tour auto labs and see demonstrations of engines, transmissions, chassis, smog diagnosis, Med/Heavy Diesel Truck Technology,
- ⇒ One registered guest may attend Open House with you!

Dates: Oct. 16th, 2019
Or, Nov. 20th, 2019

Time: 6:30 - 8:30 pm
Where: Citrus College
(Hayden Hall - Room 101)

REGISTRATION REQUIRED!

Automotive Technology and Medium and Heavy Diesel Truck Technology

Automotive Technology and Medium and Heavy Diesel Truck Technology, career technical programs, provide the theoretical background and practical experiences necessary to gain entry level employment or advancement in the automotive technology and heavy duty truck, bus, and heavy equipment industries. These disciplines prepare students to gain skills needed by Industry level national certification exams and students exit the programs with a personal and professional commitment to uphold high standards and uplift the integrity of these industries.

Automotive Technology Degrees | Certificates of Achievement
