How to check grades

This tutorial will show you how to create a parent or student account to check your grades on ABL.

Gather Needed Information

In order to create an account in ABL you need to know the following information:

1. Permanent ID: xxxxxxxx
2. Verification Pass Code: xxxxxxxx
3. Primary Home Phone Number: (xxx) xxx-xxxx

This information is mailed to parent's every year in late August or early September.

Courses

- Graphic Design
- Advanced Classes
- AP Computer Science Principles

Graphic Design Course

- Graphic Design Principles
- Digital Photography
- Photoshop CS6
- Corel Painter
- Adobe Flash: Multimedia
- 3D: SketchUp

Web Based Design Programs

- If students have access to a Mac or Windows machine the district will pay for a years license to Adobe Creative Cloud.
- All work can be completed on a chromebook using these websites;
 - Illustrator -> vector.com
 - Photoshop -> photopea.com
 - InDesign - >Canva.com
- Digital Photograph integrated throughout the course

Advanced Students

- Advanced Students are expected to work independently.
- They will have assignments assigned through the web site each week.
- They will have more freedom to select their weekly assignments.
- Because of distant learning many of the Graphic Design assignments will be new and completed by both courses.
