CLEAN YOUR CLOSETS AND WE EARN FUNDS!!

It's a Win-Win! You get rid of what you don't need and we earn needed funds! We are collecting the following items: SHOES (all types, all ages), clothing, hats, belts, purses, totes, backpacks, jackets, table linens, gently used comforters and even stuffed animals! You can drop off donations **every Saturday from Dec 5 to Feb 13 (except for Dec 26) from 1-3 pm at Bonita's teacher parking lot at D Street and 11th Street.** Or contact one of our board members to arrange a drop-off/pick-up.

RECYCLING

In the 2019-2020 school year, we began our recycling program by collecting your CA CRV products namely: plastic, aluminum, and glass. The program is steadily growing and we don't want to lose momentum because of the pandemic. So far we have recycled over 550 pounds of plastic, 150 pounds of aluminum and 340 pounds of glass totally over \$1100.00!!

We encourage you to take your collections to your local recycling center or contact Melissa Friedrichsen (440-821-1177 voice or text) for a scheduled drop-off/pick-up. If you take the recycling to a center, you can utilize our website: www.lvbba.org to send in the donation. You can also mail a check to: LVBBA P.O. Box 8182, La Verne CA 91750
