

BONITA HIGH SCHOOL
HOME OF THE BEARCATS
REGISTRATION 2023-2024

Junior Pre - Registration Procedure (current sophomores):

Pre- Registration is a 3 part process:

A. STEP 1

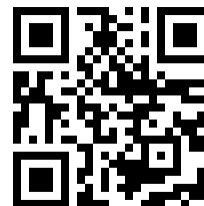

1. Log into the student Aeries account
2. Click **Classes**
3. Click **Course Request Entry**
4. Look under **Filter Courses**
5. Enter **Course Number** from the **Course Offering** sheet next to **Name or Nbr**
6. Click the course so that it shows under **Course Requests**
7. Choose **6** courses - students selecting **Period 0** can take **7** courses

The Aeries pre-registration window will be open until 11:59 PM, Monday, February 6.

B. STEP 2

1. Use the link or QR code below to replicate the exact **course numbers and course titles** that were placed in Aeries (you must use your school Google account)

[Junior Pre-Registration Google Form](#)

C. STEP 3

1. Meet with your counselor to go over course selections during an English class.

****Important things to remember when completing the pre-registration.****

1. Students cannot drop or enroll in an elective class after the first two weeks of each semester. Level changes are permitted through the 7th week of the semester when seats are available.
2. Over-subscribed courses will be assigned based on GPA, course history and/or grade level.
3. If you are registering for any AP classes, please read the AP Application Form.
4. If you plan to register for summer school, indicate the course you would like to take, e.g., US Hist, etc. (You must complete a separate summer online application later in March in order to register for summer school).

The following courses may require teacher approval or an application process. Email the teachers for additional information.

Advanced Accounting – Mrs. Sekhri	m.sekhri@bonita.k12.ca.us
Advanced Art - Mr. Harrison	b.harrison@bonita.k12.ca.us
Advanced Leadership – Ms. Pocino	j.pocino@bonita.k12.ca.us
Work Experience- Mrs. Carson	l.carson@bonita.k12.ca.us
Yearbook – Mrs. Oualline	b.oualline@bonita.k12.ca.us

Course descriptions can be viewed in the High School Handbook at:

AP Calculus BC	AP Human Geography (9 th gr.)	A P U S History (11 th gr.)
AP Chemistry	AP Macro Economics (12 th gr.)	AP World History (10 th gr)
AP Computer Science Principles	AP Music Theory	

Payment for all AP exams occurs during the month of October and November.

By enrolling in an Advanced Placement (AP) class, students are making a commitment to take a course equivalent to a first-year college course. Students and parents should be aware that expectations and demands will be much higher in an AP class than a regular class. Students need to decide their willingness and ability to meet the increased academic challenges, their willingness and ability to accommodate the time demands of the course(s) (other courses, athletics, activities, and work), and the level of support they have from family and friends. Once the student has made the commitment to take an AP class, it is expected that:

- 1. The student will remain in that class for the duration of the school year; dropping the class will require administrative approval.**
- 2. The student will take the AP exam for that class.**

Financial Aid—AP exams are expensive; they currently cost \$100.00 **per exam**. If a student meets the following criteria, they will only have to pay a reduced fee per exam:

- Student is eligible for educational benefits (formerly free and reduced lunch) (\$10.00 **per exam**)

By signing the on-line pre-registration form, the parent and student agree to the following:

- *We understand that based on prior performance and/or available space, my pre-registration choice may be removed or changed.*
- *We understand that high expectations exist in AP classes including increased work demands, possible review sessions after school, on weekends and during spring break, especially during the two months preceding the exam.*
- *I understand that once enrolled in an AP class, my ability to change that class will be limited and may not be possible.*
- *I understand that I, the student, am agreeing to take the AP exam.*

Parent and student must electronically sign the pre-registration form on the Google form.
