

# Free Tax Help by Accounting Students

The **2+2 Accounting and Advanced Accounting** students are filing free tax returns for students and taxpayers with income below \$60,000 through the (VITA) program sponsored by the Internal Revenue Service (IRS). The Accounting students have gone through extensive training and have passed the IRS volunteer examinations. A Bonita High School faculty member supervises these volunteers. All returns are electronically filed.

Please see/ call Mrs. Sekhri in Room 906 for details
