

4 A STUDENTS & STAFF OF THE WEEK

Lexi was nominated in athletics because she has been working really hard to be a good leader, being more vocal on the court. She has been instrumental in helping the team understand what we are doing. She is a positive, valuable member of the team.

Kate was nominated in the arts because she writes beautifully on the windows and always makes such beautiful posters. These are things that she does everyday!

Dawei was nominated in academics because he is an incredibly strong student with a weighted GPA over 4.0, and he is always patient when asked for help by classmates.

Madame Karaian was nominated as Staff of the week because she is always excited to teach French to her students. Her students like coming to class every day to learn something new and she goes out of her way to make personal connections with all of her students.

Alina was nominated in activities because she does a great job managing all of the social media for ASB. She makes sure we celebrate all other groups on campus. She is on the varsity soccer team and a great student. She demonstrates leadership in all she does.
