PARENT PERMISSION FORM – COLLEGE BOARD S.A.T. EXAM – March 6, 2019

Dear Parent/Guardian of 11th Grade Students:

On March 6, 2019, the College Board is offering an opportunity for 11th grade students to take the S.A.T. exam at their own school site during the school day, instead of a Saturday.

To this end, the Bonita USD will pay for the cost of the S.A.T. exam, including the essay, for any 11th grade student who wishes to take this exam on March 6 on the Bonita High School campus. This will provide 11th grade students a free one-time opportunity to complete a major step of the 4-year college admissions requirement. Students will still be encouraged to take this exam again at their own cost either in June or the fall semester of senior year.

In order for us to adequately prepare for this exam, and register your student with the College Board, you are asked to sign this permission form below and return it to your counselor or Mrs. Sullivan in the main office by **Wednesday, December 12**. There is no need to register on-line – this form is all that is required. More information will be forthcoming as the date approaches. These are the stipulations that students agree to:

- All students taking the School Day S.A.T. Exam on March 6, 2019 must complete all portions of the S.A.T., **including the essay**.
- Students are responsible for making up all classwork for classes missed.
- Permission form must be signed and submitted to the counselor or the office by **December 12** – this will confirm registration for the March 6th S.A.T. at Bonita High School – **not to be done on-line**.
- Students will not be admitted to the exam after the exam has begun.

A list of students registered will be posted shortly thereafter. Only students registered will be permitted to sit for the exam.
