The Accounting students at Bonita High School are offering free income tax service for students and taxpayers with low income. Please complete the lower part of this memo and the attached interview questions and return it to Mrs. Sekhri along with the documents listed below.

Please have your parents or guardians read and sign this form and attached interview questions.

**Will your student be claimed as a dependant on his or her parents'/guardians'/on any other person's return?**

-----Yes                      -----No

**I give permission to my student----- to have his/ her taxes filed at the school by the student-volunteers under the VITA tax program sponsored by the IRS. I understand that W-2s and other documents will be retained until the tax returns are filed. The social security card will not be retained at the site. Once it is matched to the W-2, the social security card will be returned immediately to the student. Students are required to bring in their documents personally. If they decide to send in their social security card and other documents with someone else, they will do so at their own responsibility.**
